

Privacy Policy

Mesago Messe Frankfurt Corporation

March 1, 2008

We act according to our policy of securely protecting the personal information and hereby state how we administer such information in compliance with the guidelines stipulated by the Ministry of Economy, Trade and Industry.

1. Acquisition of Personal Information

We acquire personal information through legal and fair measures.

2. Purpose of Using Personal Information

There may be a case wherein thus acquired personal information will be used for the purpose of providing information on fairs and related services of the Messe Frankfurt Group companies as well as on products and services provided by exhibitors and sponsors. We will not use the personal information for any other purposes.

3. Providing Personal Information to Third Parties

Unless stipulated by laws, we will not provide the personal information to any third party without taking legal procedures.

4. Sharing Personal Information

For a smooth management, we may share the personal information with companies/associations/committees involved in organizing the fairs. We will not share the personal information for other purposes. The personal information thus shared will be kept under our strict control.

5. Security

We pay the closed possible attention to the correctness and security of the personal information, and we take security measures in place to prevent the loss, alteration or leakage of the personal information.

6. Administration

We legally administer the personal information and make every possible effort for a proper administration.

7. Contact

You can contact privacy@mesago-messefrankfurt.com for inquiries regarding your personal information.

* We endeavor to continuously check our privacy policy and compliance programs for improvement.

* When our privacy policy is revised, we will post it up on our website.
