

Warning – unofficial exhibitor directories

We would like to inform you that numerous suppliers such as **Commercial Online Manuals S de RL de CV (Expo Guide)**, **Construct Data AG (Fairguide)** and **Matic Verlagsgesellschaft mbH** have issued so-called "unofficial exhibitor directories".

These directories have nothing to do with the official exhibitor directory as issued by Mesago Messe Frankfurt Corporation.

These companies are trying to get you to pay for an entry in their exhibitor directory using the subject heading of "data update". If you want to appear only in the official exhibitor directory as issued by Mesago Messe Frankfurt Corporation, then please decline these offers.

The official exhibitor directory as well as all online media is strictly issued by Mesago Messe Frankfurt Corporation.

If you are not sure whether a form you have is from one of our trade fairs, then you can fax it to us, including your contact information.
